

## TOOK FOUR ROUNDS

For Mr. Billy Woods to Wind Up  
Mr. Tim Scanlan's Clock

## IT WAS THE LIVELIEST BATTLE

Witnessed Here Since the Scanlan-Silvick Contest—Dooley Defeats Jack Grace and Charley Och Knocks Out Harry Smith, the Martin's Ferry Boy—Wheeling Defeats Lima—Twin Cities Win—Other News of Sport.

Last night the Metropolitan Athletic Club's carnival of boxing came to an end, and it was easily the finest evening of boxing ever seen in this vicinity. Och put Smith, the Martin's Ferry boy, to sleep in just four rounds. "Billy" Dooley, of San Francisco, and "Jack" Grace, of New York, so far gone in the fifth that Referee Alexander gave the decision in favor of Dooley, who is one of the most clever light men ever seen in the tri-state radius. The contest between "Tim" Scanlan, the ex-police-man, of Pittsburgh, and "Billy" Woods, of Denver, was to have been twenty-five rounds, but it took just four rounds to put Scanlan out of it. He was not knocked out, but it was so near a put-out that Referee Alexander gave Woods the battle. A large crowd witnessed the contests.

The first bout on the programme was the four-round bout between "Charley" Och, of North Wheeling, and Harry Smith, of Martin's Ferry. They entered the ring at 9:30 o'clock. The battle by rounds:

First round—Both men cautious, Smith leading; Och got in several blows, knocking Smith down. Smith returned with several good punches. Och boxed viciously, getting in number of still punches on Smith's neck and ribs.

Second round—Both started in a vicious manner, each getting in good blows. Och got all the best of it, getting first blood; the round was furious throughout.

Third round—Och again started in by punching Smith all around the ring. Smith saved himself from severe punishment by repeated clinching.

Fourth round—Och started in to knock out Smith from the first, leading hard and knocking Smith down several times. Smith was groggy and unable to get up and was counted out. Och showed superior science from the start, having all the best, both in punching and ducking to avoid punishment.

The second bout was between Dooley and Grace. "Billy" Cochran, of Pittsburgh, seconded Grace, while Marshall and Och were behind Dooley.

First round—Dooley led off with several good punches and was evidently working for a knockout. He landed repeatedly on Grace's neck. It was Dooley's round by long odds.

Second round—Dooley went after his man repeatedly and had no trouble in finding him. Grace, though very quick, could not reach Dooley at all.

Third round—Grace escaped a wicked swing by Dooley. Dooley hit Grace off, but the latter escaped much punishment by clinching. Grace escaped another bad one by dropping to the floor.

Fourth round—Dooley got in several hard blows, all in the face, and Grace could not reach the other.

Fifth round—Dooley hit Grace repeatedly, Grace being unable to reach his opponent at all. In fact, the contest was so one-sided that Referee Alexander stopped the fight, and declared Dooley the winner. Grace, who is a very plucky fellow, objected vigorously.

The next event on the programme was the main bout of the evening, the twenty-five round go between "Billy" Woods, of Denver, and "Tim" Scanlan, the big Pittsburgh ex-police-man. The seconds for Woods were "Tommy" Hogan, "Billy" Cochran and "Johnny" Van Heest; for Scanlan, "Red" Mason, "Billy" Dooley and "Jack" Glenn. The men shook hands at 11:10 p. m.

First round—They clinch, Woods on the aggressive, but a second later Woods landed two hard ones in face that hurt. Woods did a little rushing at the end. Honors about even.

Second round—Scanlan rushes twice but is met hard each time. Woods gets in two very hard ones, forcing Scanlan to the ropes, but the latter was saved by the gong.

Third round—Scanlan rushed and landed several times on Woods' neck, Woods returning on ribs. Scanlan again got in some hard punches on Woods' face. Scanlan looked groggy when bell rang; honors even.

Fourth round—Woods led off viciously knocking Scanlan down several times with hard punches in the face and drawing blood. Scanlan got on his feet three times after being knocked down before Referee Alexander stopped the contest and declared Woods the winner.

Today's Game—Findlay at Wheeling.

Special Dispatch to the Intelligence.

Lima, O., June 27.—The Wheelings made it two straight here this afternoon. McCleary was hit much harder than Bridges, the home pitcher, but the players behind gave him such awful support that the Nippers took a victory that they did not win on their batting. Both teams hit the ball hard and often, but all of the long hits except two, three-baggers by Catcher Davis and Donovan, were made by the Limas. The score:

## BASE BALL TO-DAY.

The Findlays tilted to play at the Island Park To-day.

The Findlays are billed to play at the ball park this afternoon. Secretary Barrows made an effort to have the game postponed until to-morrow, when two games would be contested, so as to avoid a conflict with the races, but up to last night the consent of the Findlays had not been secured, so there will be a ball game this afternoon in all probability.

The Wheelings, by winding up their trip with two victories at Lima, have not done so badly on their first trip under the new schedule. Three victories and five defeats is a fair record, considering the fact that all the Ohio teams have been strengthened. Wheeling's new pitcher, a National League man, will probably be here Saturday.

## Baseball Notes.

The J. W. Gallagher Juniors, of Wheeling, will go to Mountaineer Saturday and play the Grays for \$10 a side. The Gallagher will play the Scheelers, of Martin's Ferry, whenever they are ready.

The Red Cross base ball club would like to play the Ramblers Sunday afternoon on the Benwood grounds. If accepted, answer through the INTELLIGENCER sporting column.

## BIG BLACK LISSAK

Captures the Liberty stakes at Oakley's Opening—A 100 to 1 shot Third.

CINCINNATI, June 27.—The race meet of the Cincinnati jockey club at the beautiful Oakley race course had a royal opening to-day. The attendance was something extraordinary, estimated at from ten to twenty thousand. The great event of the day of course was the Liberty stakes, for three-year-olds at a mile and a quarter, guaranteed value \$5,000 of which \$4,000 to the winner. Halma was scratched at the last moment and Laureate added. The following went to the post: Simon W., 127, (Cassin), 12 to 1; Tobin, 117, (W. Jones), 40 to 1; Free Advice, 127, (Ray), 40 to 1; Lissak, 127, (R. Isom), 7 to 5; Blue and Grey, 117, and Allard and Brendon, 125, (R. Williams), coupled, 30 to 1; Basso, 117, (Martin), 15 to 1; Curator, 117, (H. Williams), 100 to 1; Flying Dutchman, 117, (Chorn), 6 to 1.

Lissak was played heavily from 9 to 5 to 7 to 5, the starting price. They were forty minutes at the post. The delay was caused chiefly by the bad acting of The Commoner, although Simon W. was stubborn. When the flag fell, Lissak broke fourth, but at once went to the front and made the pace. For the first

half Brendon was second and The Commoner third. The latter was second at the three-quarters. Simon W. got away a bad last, but went around his field on the back stretch and in the turn and at the mile, had collared Lissak. The two shot ahead of the others, and both came to a drive in the stretch. Simon W. chucked it up at the last sixteenth and the great black colt came away winning easily by two lengths. Flying Dutchman came strong at the finish and nearly nipped Simon W. for the place. Summary:

First, 6 furlongs—Caesarian, 1; Cash Day, 2; Domingo, 3; 1:14. Second, 5 furlongs—Evo Witness, 1; Ulysses, 2; Movian, 3; 1:03. Third, 7 furlongs—Yellow Rose, 1; Candor, 2; Fraulein, 3; 1:28. Fourth, the Liberty stakes for three-year-olds, 1 1/4 miles—Lissak, 1; Simon W., 2; Flying Dutchman, 3; 2:08. Fifth, 1 mile—Toots, 1; Dominion, 2; Victorious, 3; 1:41. Sixth, 6 1/2 furlongs—Addie Buchanan, 1; Saint Lario, 2; Early Rose, 3; 1:21.

Sheephead Bay Results.

New York, June 27.—The results at Sheephead Bay this afternoon follow: First, 7 furlongs—Cromwell won; 1:28 3/5. Second, mile—Friar won; 1:44. Third, Pansy stakes, 6 furlongs on turf—Merry Prince, 1; Ramiro, 2; Applegate, 3; 1:16 1/5. Fourth, 1 1/4 miles—Nanki Pooh won; 1:55 4/5. Fifth, 5 furlongs—Formal won; 1:01. Sixth, 1 1/2 miles—Sandowne won; 2:08 3/5.

## YALE WON

The Freshman Race—Harvard Severely Disappointed.

New London, Conn., June 27.—Harvard's freshman eight-oared crew, confident of victory, were defeated to-day by Yale, while Columbia was third in the annual triangular race over two miles of Thames water. Coach Watson, of Harvard, is said recently to have stated that if his freshmen could not win this year there was little hope for his varsity eight, which rows Yale to-morrow. Be that as it may, Mr. Watson, after the race to-day, was severely disappointed. Mr. Bob Cook, who coached Yale, and who has grown used to feeling well after London boating events, was serenely comfortable, though possibly somewhat surprised after the event of to-day.

The Associated Press also scored a triumph by instantly announcing over its special wire along the rivershore that Yale was winner of the race. Others seeking to report the event by wire sent out the false statements that Columbia had won, and again that Harvard was victorious. Operators and trained news men stationed on The Associated Press wire at the start and finish gave a sharp description of the contest as it proceeded.

The official time was: First half, Harvard 2:18; Yale 2:20; Columbia 2:25.

First mile, Harvard 4:58; Yale 5:00; Columbia 5:15.

Second mile and finish, Yale 10:28; Harvard 10:33; Columbia 11:17. Yale won by over a length.

## SUSPECTS RUN IN.

Four Men Run in to Keep Them Out of Mischief.

Since the races opened on the State Fair grounds the police have been on the lookout for a gang of men from Pittsburgh, who were said to be professional pickpockets. Lieut. Ingram spotted six men whom he suspected, and when they found they were under surveillance they became very uneasy. Last night the lieutenant arrested four of them, and they will have a chance to explain who they are and what they are here for before the mayor this morning. A little later Officer Gardner brought in a man who is said to be wanted in Pittsburgh for grand larceny. Two of the supposed pickpockets made their escape, and at a late hour the officers were still looking for them.

## MUSICAL YOUNG THIEVES.

The Mayor of Bellairs Sends the Four Boys Caught Here to Jail.

The four boys, Willie Love, Johnny Creamer, Garfield Good and Robert Ray, whose robbery exploit was fully detailed yesterday, were each bound over to court by Mayor Dallais, of Bellairs, yesterday in a bond of \$200. Failing to find bail they will be taken to St. Clairville jail. They confessed the job and told how they worked it. Two of the boys stood by the girl clerk in McGraw, Crow & Smith's store, while she was sitting at the front door and they whistled "Sweet Marie" to indicate that the coast was clear for the two boys inside robbing the money drawer. If anything had turned up to indicate danger they were to change the tune and whistle "After the Ball." The firm got \$79.07 of the money back, the boys having used only \$1.66. The check for \$7.60 will be replaced. It is not the first time part of the boys have been in trouble. Young Creamer is just home from the reform school a short time, while one of the other boys, Willie Love, has been before the Bellairs mayor several times.
